### Florida NOW PAC endorses Linda Bird

The Florida National Organization for Women (NOW) PAC (Committee of Continuing Existence) endorses Linda Bird for Florida Senate, District 25. The Florida NOW PAC only endorses candidates who have demonstrated a commitment to women's rights.

Unlike her opponent, Linda Bird will support women's rights. Bird's opponent, incumbent Jeff Atwater, has voted numerous times to erode women's rights, including legislation making it more difficult for women to give their children up for adoption, requiring unnecessary restrictions on abortion clinics, expanding the privatization of Medicaid and failing to co-sponsor ratification of the Equal Rights Amendment.

"Linda Bird is a candidate we can count on to stand up for women. We are proud to endorse her." said McCaffrey.
